

# We supply life science and diagnostic reagents for research purposes

## we Connect you

Since 2004, we have successfully developed a network that embodies our slogan, “we Connect you”. This network connects laboratories and the biotech industry with life science and diagnostic reagent manufacturers worldwide. Bio-Connect’s portfolio includes products from a range of internationally recognized brands and manufacturers. This makes us a convenient one-stop shop for research and development in biotechnology, molecular biology, genetics, immunology, cell biology, neuroscience, and related fields.

### Why Bio-Connect?

- ✦ Extensive portfolio with over 6 million products (130+ suppliers).
- ✦ Preferred supplier for academia and industry.
- ✦ Excellent service and in-house technical expertise.
- ✦ Support in Dutch, English, French and German.
- ✦ User-friendly webshop and PunchOut Catalogs.
- ✦ ISO 9001:2015 & ISO 14001:2015 certified

### Let's connect!

- ✦ Handling of customs, transportation, foreign exchange, and prepayments.
- ✦ Achieve your sustainability goals with our consolidated shipment service.
- ✦ Comprehensive product advice and personalized project support.
- ✦ New project? We can help you with purchasing all of your reagents from start to finish.
- ✦ We are willing to set up an NDA for confidential needs.
- ✦ Easily request (bulk) prices when necessary.

### Need Technical Support?

Are you looking for specific products, alternatives, documentation or need assistance with solving product related issues? Contact our in-house technical support team ([tech@bio-connect.nl](mailto:tech@bio-connect.nl)).

### Interested in GMP or bulk options?

Please fill out the bulk request form on our website. Our team will connect with you within 24 hours. You can find the form here: [www.bio-connect.nl/bulk-request/](http://www.bio-connect.nl/bulk-request/)
